Questions for Donna

Nursing requires CMST 2, 2H, 4 or 10; RT doesn't give option of 10. If these can be standardized, this can be added to the CORE section of the program
What happens when MATH comp goes away? Do MATH 18/18s replace it?
FN 50 does not meet GE; FN 2 will come out of Area A and F and becomes a grad requirement for Area F only; do these courses stay in the program?

Format for programs

Find common courses and list those as core
Do areas of emphasis for all the other courses and fill in GE where needed on the maps
