☒ Degree ☐ Certificate of Achievement

New Program Title: A.A. Arts and Humanities

Initiator: Jessica Jackson

First Semester Intended to Offer: Fall 24

Program Description:

This degree will provide an interdisciplinary program of study that emphasizes literary, cultural, artistic, philosophical, and historical aspects of human existence. It provides a broad foundation that can help students prepare for transfer to a university in majors such as English, Visual Arts, Performing Arts, History, Philosophy, and World Languages.

This program may also be appropriate for students pursuing a transfer major not available at Butte College so that they can obtain a degree while fulfilling lower-division requirements for their transfer destination. These major courses may also count toward satisfying university transfer general education requirements. Students are strongly advised to see a counselor to discuss specific choices for their degree and career path.

Potential need for/interest in program:

This degree will greatly benefit students who are interested in the arts and humanities but may not yet be committed to a specific major and transfer destination. This will allow them to pursue a major that qualifies for financial aid funding while they explore these disciplines and hone in on their long-term goals. This major will also benefit students who may need a degree for transfer to a private or out-of-state university and an ADT would not be appropriate.

Program needs: (general fund requirements, equipment needs, facility/space requirements, etc.)

No additional needs anticipated.
