

FIFTY-SEVENTH ANNUAL
Commencement

FRIDAY, MAY 29, 2026

MISSION STATEMENT

Butte College is a student-ready, rural community college that provides high-quality, accessible education and support. Our career and transfer pathways cultivate curiosity and critical thinking through instruction, workforce training, and the achievement of associate degrees and certificates. Butte College is a Hispanic-Serving Institution that affirms its commitment to equity for the diverse, intersectional communities we serve.

LAND ACKNOWLEDGEMENT

We acknowledge that Butte College and its satellite campuses stand on lands that were originally occupied by the first people of this area, and we recognize and honor the Maidu, Wintun, Wailaki, and Nomlaki Tribes.

We thank them for their strength and resilience in protecting this land for centuries and aspire to uphold our responsibilities according to their example. In offering this land acknowledgement, we affirm Native American sovereignty, history, and experiences.

RECESSIONAL

Access the closed captioning streaming service for commencement:

For the safety of everyone, guests must remain off the field at all times. Please meet your graduate after the ceremony at the goalpost area near the entrance or at the reception. Thank you for your cooperation.

Immediately following the ceremony, graduates and guests are invited to a reception held on the gymnasium lawn to enjoy refreshments, take a photo with our mascot Dash, and enjoy music.

ACADEMIC REGALIA

THE PAGEANTRY

The pageantry of commencement has its roots in medieval times, dating to the early traditions of Europe's first universities. For centuries, academic dress has been associated with learning. Its origin is considered to be ecclesiastical, though the gown of medieval scholars may have developed out of the ordinary civilian costume of an earlier period. The medieval scholar was often a monk or clergy who found the hood and gown protection against the cold of the unheated buildings. The sleeves of the gown were used for carrying books and supplies.

AMERICAN ACADEMIC REGALIA

American academic regalia was standardized in 1895. A cap and gown indicate that the wearer is a member of a university or college, and an additional hood denotes the wearer has obtained a four-year degree or higher.

THE GOWNS

The gowns are usually black with three types of sleeves and three types of hoods denoting either a bachelor's, master's, or doctorate degree.

THE CAP

The cap is called a mortarboard or a tam. The tam is worn only by individuals who have earned a doctorate.

THE HOOD

The hood is draped over the shoulders and down the back. The trimming of velvet is in the color that represents the subject of the degree, and the lining of silk is the color or colors of the college or university granting the degree. The length of the hood varies with the level of academic achievement with the doctorate hood being the longest.

THE TASSEL

The tassel is fastened to the center button on the top of the mortarboard or tam and is worn in the left front quadrant by those who have obtained a degree. The tassel may be the color of the institution, the major field of learning in which the degree is conferred, or it may be gold, indicating some type of honor has been achieved. At Butte College, graduates wear gold tassels to represent the college's color.

PHI THETA KAPPA (BETA THETA KAPPA CHAPTER)

Phi Theta Kappa is the international honor society for two-year colleges. It puts honors in action through research projects, community service, leadership development activities, and serving the campus.

To become an official member of this international honor society, students must complete a minimum of 12 units at Butte College with a minimum cumulative GPA of 3.3.

FEATURED GRADUATES

ALEXANDRA BENSON

Student Speaker

Alexandra Benson, Butte College's 2026 student speaker, is earning a degree in health occupations preparation. Over nearly two decades, she balanced her education with motherhood and personal challenges while steadily working toward completing her degree.

For Benson, who was raised in the foster care system until she was seventeen, pursuing an education at Butte College represented stability and opportunity. As a mother of three daughters, Benson stayed in school, committed to building

a more stable future for her family. Along the way, she remained dedicated to her studies and found support through faculty and campus programs that helped her stay on track academically.

She initially began her studies in pre-law before discovering a passion for healthcare and shifting her focus to nursing. She plans to attend California State University, Chico, in the fall while applying to nursing programs, with the long-term goal of becoming a certified registered nurse anesthetist.

KEVIN VANG

Student Vocalist

After graduating from high school, Kevin Vang was unsure whether college was the right path for him. During a two-year break from school, he began experimenting with music production software, which eventually inspired him to enroll at Butte College and pursue a degree in music. Through the music program, Vang expanded his skills in production, guitar, piano, and singing while finding a strong sense of community and personal growth.

Balancing full-time work with school challenged him to develop

stronger communication skills and perseverance. One of his favorite experiences at Butte was collaborating with classmates in a pop band course to create and professionally record an original song at California State University, Chico.

Vang credits the professors and peers in the music program for helping him mature both as a musician and as a person. Looking ahead, he hopes to continue building a career in music through collaboration, live performances, and songwriting.
